BHD Annual Membership Plan An Alternative to Dental Insurance

Bogey Hills Dental is excited to offer an in house discount plan for our patients who are currently uninsured and for those who are tired of paying increasing premiums and receiving less benefits. The BHD Membership Plan provides greater access to affordable, quality dental care. Avoid waiting periods, minimal annual maximums, and increasing frequency limitations. With our discount plan, you can also avoid estimating what insurance may or may not cover. The treatment plan you receive from us will offer the best quality of care and will be explained to you clearly and accurately so that you can plan appropriately for your oral health care needs.
